Essential Duties of Our Most Successful Teachers:

Providing basic needs

Daycare teachers ensure children's basic needs are met, such as feeding, changing, and supervision.

Creating a safe and nurturing environment

Daycare teachers create a safe and nurturing environment for children to learn and play.

Planning activities

Daycare teachers plan and prepare activities, materials, and lessons to promote children's physical, social, and cognitive development.

Monitoring children's progress

Daycare teachers monitor children's progress and report any issues.

Communicating with parents

Daycare teachers speak to parents and carers about their children's development.

Establishing rules

Daycare teachers establish and enforce rules of behavior for children in their classrooms.

Providing resources

Daycare teachers provide tools and resources for children to use and explore during learning and play activities.
